The Doris Humphrey Foundation UK
Membership

As a non-profit making organisation, the Doris Humphrey Foundation is reliant on contributions from supporters and fund-raising events. Your support will allow us to raise funds toward putting on events such as the Summer Workshop. In the longer term, the goal of the Foundation is to raise sufficient funding to make possible regular stagings of Humphrey's dances and to produce broadcast quality films of the major works.
In addition to giving much valued support to the Foundation, membership will give you special rates for Foundation events.

Please complete this form and enclose a cheque payable to:
